## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 4-9 are allowed.
2. The following is an examiner's statement of reasons for allowance: the examiner is unaware of any prior art which suggests the specific offset pad layout groupings as described by the applicant.
3. Ishino et al. (USPN 5,886,409) discloses a semiconductor package with a pad layout. However there is no disclosure of any kind of offset relative to another layout. Therefore Ishino does not disclose the applicant's device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
